

# Human

## The 6ths with Lloyd Cole

Human, behave yourself  
You have burst at the seam  
Let it all fall out, open your mouth  
Often I lie wide awake, think of things  
I can make but I don't seem to have  
The parts to build them  
Human, I wonder why you're a better  
Make than I could ever build or create  
You know not love or hate  
I am so scared of what will kill me  
In the end for I am not prepared  
I hope I will get the chance  
To be someone to be human  
Look what we've done  
Look what we've done  
I would give my life to be human  
I would give my life to be human  
I would give my life to be human  
I would give my life to be human  
Human, I'm trying to come clean  
I will be a better me  
I will not drink until I'm dead  
I'll make the most of it  
I don't know what it's like to be alive  
To say goodbye, to cry a thousand tears  
Because my ears won't listen  
Human, I'm trying not to lose my faith in you  
I've sassed out all that  
I've seen through, I've sailed an ocean  
I am so scared of what I'll look like  
In the end for I am not prepared  
I hope I will get the chance  
To be someone, to be human  
Look what we've done  
Look what we've done  
I would give my life to be human  
I would give my life to be human  
I would give my life to be human  
I would give my life to be human

I used to hear it all so loud  
The sound of my heart breaking  
The truth is waiting to be found  
I trust that I will take it  
I would give my life  
I would give my life, human  
I would give my life, human  
I would give my life, human  
I would give my life to be human  
I would give my life to be human  
I would give my life to be human  
I would give my life to be human
