

# Sick Of Goodbyes

[Sparklehorse](#)

If I could just keep my stupid mind together  
Then my thoughts would cross the land for you to see  
No one sees you on a vampire planet  
No one sees you like I doSeconds click in which I'm changed to dust  
Whithered roots of knots and hairy rust  
No one sees you on a vampire planet  
No one sees you like I doI'm so sick of goodbyes, goodbyes  
I'm so sick of goodbyes, goodbyes goodbyes  
The night comes crawling in on all fours  
Sucking up my dreams through the floorI'm so sick  
I'm so sick  
Of goodbyes
