

# Mare of the Night

## Magneta Lane

You make girls hearts go black  
From you I watch my back  
Your eyes, the death of me  
You make me pretty And now I'm losing sleep  
Since these nightmares, they do creep  
Those casual thoughts tonight  
Now make me ill dear Oh my  
Oh my, yeah  
Oh my  
Oh my, yeah, go Discretions are so bad  
Obsession make me mad  
You put a spell on me  
Senses control me So now I'm losing sleep  
Since these nightmares, they do creep  
I will run, I will run  
Yeah, yeah, hey Oh my  
Oh my, yeah  
Oh my  
Oh my, yeah, go So if I close my eyes  
Unveil your vain disguise  
Your eyes, the death of me  
You've made me pretty And now I'm losin' sleep  
Since these nightmares, they do creep  
And those casual thoughts tonight  
Now make me ill dear Oh my  
Oh my, yeah  
Oh my  
Oh my, yeah, go
