Two Princes

Spin Doctors

One, two princes kneel before you
(That's what I said, now)
Princes, princes who adore you
(Just go ahead, now)
One has diamonds in his pocket
(That's some bread now)
This one, said he wants to buy you rockets
(Ain't in his head, now)This one, he got a princely racket
(That's what I said, now)
Got some big seal upon his jacket
(Ain't in his head, now)
Marry him, your father will condone you
(How 'bout that, now)
Marry me, your father will disown you
(He'll eat his hat, now)Marry him or marry me
I'm the one that loves you baby, cant you see?
Ain't got no future or a family tree
But I know what a prince and lover ought to be
I know what a prince and lover ought to beSaid, if you want to call me baby
(Just go ahead, now)
And if you'd like to tell me maybe
(Just go ahead, now)
And if you wanna buy me flowers
(Just go ahead, now)
And if you'd like to talk for hours
(Just go ahead, now)Said, one, two princes kneel before you
(That's what I said, now)
Princes, princes who adore you
(Just go ahead, now)
One has diamonds in his pockets
(That's bread , now)
This one, he wants to buy you lockets
(Ain't in his head, now)Marry him or marry me,
I'm the one that loves you baby, cant you see?
Ain't got no future or a family tree
But I know what a prince and lover ought to be
I know what a prince and lover ought to beSaid, if you want to call me baby
(Just go ahead, now)
And if you'd like to tell me maybe

(Just go ahead, now)
If you wanna buy me flowers
(Just go ahead, now)
And if you'd like to talk for hours
(Just go ahead, now)And if you want to call me baby
(Just go ahead, now)
And if you'd like to tell me maybe
(Just go ahead, now)
If you'd like buy me flowers
(Just go ahead, now)
And if you'd like to talk for hours
(Just go ahead, now)Said, if you want to call me baby
(Just go ahead, now)
And if you'd like to tell me maybe
(Just go ahead, now)
If you wanna buy me flowers
(Just go ahead, now)
And if you'd like to talk for hours
(Just go ahead, now)Oh, baby
(Just go ahead now)
(Just go ahead now)
(Just go ahead now)
