Still Open

Syleena Johnson

Ooh (8x)
Ahh'sIt's winter, I last saw you in May
That was the month we went our separate ways
And every moment since that day
There have been things that I been wanting to say(Like I)
Didn't mean to say those things
(And I)
Didn't mean to cause you pain
(Just wanted to make you happy)
And I still wanna do thatAnd if you really wanna know
My arms are still open
No matter where we are
And no matter where we goMy arms
(For you)
Are still openI'm dreaming of a perfect day
We are together, can you see us together?
And I'm hoping, you might feel the same way
Hope we can start new 'cause I used to love youAnd if you really wanna know
My arms are still open
No matter where we are
And no matter where we goMy arms
(For you)
Are still openAnd I miss you, I need you
I'm so hopeless here without you
Wanna see you, wanna touch you
Wanna show you how much I love youI understand you, are a man who
Needs a girl who is there for you
All this love I have inside
Is waiting for you, ohhhhhOhhhh, these arms, there still open
And if you really wanna know
My arms are still open
No matter where we are
And no matter where we gono river is to wide
no mountain is too high
cuz i love you
I need you
thats why these arms are still open[Unverified]Ohh's
Ahh'sThese arms are still open to you
