

Still Open

Syleena Johnson

Ooh (8x)

Ahh's It's winter, I last saw you in May

That was the month we went our separate ways

And every moment since that day

There have been things that I been wanting to say (Like I)

Didn't mean to say those things

(And I)

Didn't mean to cause you pain

(Just wanted to make you happy)

And I still wanna do that And if you really wanna know

My arms are still open

No matter where we are

And no matter where we go My arms

(For you)

Are still open I'm dreaming of a perfect day

We are together, can you see us together?

And I'm hoping, you might feel the same way

Hope we can start new 'cause I used to love you And if you really wanna know

My arms are still open

No matter where we are

And no matter where we go My arms

(For you)

Are still open And I miss you, I need you

I'm so hopeless here without you

Wanna see you, wanna touch you

Wanna show you how much I love you I understand you, are a man who

Needs a girl who is there for you

All this love I have inside

Is waiting for you, ohhhhh Ohhhh, these arms, there still open

And if you really wanna know

My arms are still open

No matter where we are

And no matter where we go no river is too wide

no mountain is too high

cuz i love you

I need you

thats why these arms are still open [Unverified] Ohh's

Ahh's These arms are still open to you
