

# I Feel Like I'm Drowning

## Two Feet

You keep dreaming and dark scheming  
Yeah, you do  
You're a poison and I know that is the truth  
All my friends think you're vicious And they say you're suspicious  
You keep dreaming and dark scheming  
Yeah, you do I feel like I'm drowning  
Aah, drowning You're holding me down and Holding me down  
You're killing me slow  
So slow, oh-no  
I feel like I'm drowning  
Aah, drowning  
You're so plastic and that's tragic Just  
When you I don't know what the hell you gonna do  
When your look start depleting And your friends  
All start leaving You're so plastic and that's tragic  
Just when you I feel like I'm drowning  
Aah, drowning  
You're holding me down  
And Holding me down  
You're killing me slow  
So slow, oh-no  
I feel like I'm drowning Aah, drowning My life's okay Yeah,  
Just when you're not around me  
My life's okay  
Just when you're not around me My life's okay  
Just when you're not around me My life's okay  
I feel like I'm drowning  
Aah, drowning  
You're holding me down  
And Holding me down  
You're killing me slow  
So slow, oh-no  
I feel like I'm drowning  
Aah, drowning
