

I'm Just Wild About Harry (Remastered)

Peggy Lee

I am here to state
I'm here to relate
To explain
And make it plain that:
I`m just wild about Harry
And Harry's wild about me;The heavenly blisses of his
Kisses fill me with ecstasy.
He's sweet just like sugar (chocolate) candy
And just like honey from a bee;
Oh, I`m just wild about Harry
And he's just wild about,
He can't do without,
He's just wild about me
Oh I`m just wild about Mandy,
And Mandy's wild about me
Oh, I`m just wild about Harry
And Harry's wild about me.The heavenly blisses of his kisses
Fill me with ecstasy.
He's sweet just like sugar(chocolate) candy,
And just like honey from a bee;
Oh, I`m just wild about Harry
And he's just wild about me.
