Still

Eric Roberson

Missin'
Yearnin'
Tossin'
Turnin'
Fiendin'
For her STILL
Waitin'
Shakin'
Hatin'
Havin'
Flashbacks
Askin'
Why me
Blindly
Walkin'
Hopin'
Prayin'
That she
Finds me
Sees me
Needs me
Wants me
STILLBy her side
STILLI've been fine
But tonight was tough(oh)
Heard our song (yeah)
My heart had enough
Finish my drink
Hug my friends
They all look concerned
I smiled at them
I say that I'm fine
But that is a lie
Wanna hide behind
She is on my mind
Outside is cold
And damn these cabs
I need one really bad
But they all pass

Memories
They just creep back in (yeah)
I zone out on (yeah)
Remember whens'
Cab cuts through and I hop on in
Just drive man, drive
Is all I say to him
Oh
She STILL can hurt me from so far away (STILL hurt me from so far)
STILL reaches in and
pulls my smile away (reaches in my dream)
Just when I'm fine
She STILL finds simple way (and another spot)
To show her goodbyes
In another way (oohhhh)
Oh No No No No No (mmmm)
No No No No No
I do not understand
Why I miss her STILLI try to escape
But nothing works (oh)
We did everything together (yeah)
Everything hurts (hurts)
We pass a store (so)
Where we used to shop (bad)
Favorite park (yeah)
First restaurant (yeah)
This corner is fine
I will walk from here (yeah)
I could use the air (yeah)
She won't disappear
Truth hits me like the midnight wind
A stranger smiles
It's hard to grin
See
My mask is off (yeah)
Familiar streets I cross (yeah)
As if I am lost
I guess I am
I can't find my way
Even home (home)
Feels like an empty placeOh
She STILL can hurt me from so far away (hurt me from so far and pulls my smile)
STILL reaches in and
pulls my smile away (oohhh)
Just when I'm fine (fine)

She STILL finds simple way (and another spot)
To show her goodbyes (hey hey oh no no no no no)
In another way
Oh No No No No No (oooh oooh)
No No No No No (No No No No Nuh- nuh NO)
Oh No No No No No (oohhh hooohhh oh)
No No No No No
Oh No No No No No
No No No No No
I do not understand
Why I miss her STILLMissin' (STILL)
Yearnin'(oh no)
Tossin' (STILL)
Turnin' (STILL)
Waitin'
Shakin'
Fiendin' (fiendin' for her STILL)
For her STILL
Hatin' (oohh)
Havin'
Flashbacks
Askin' (How'd she find me yeah)
How'd she
Find me
I do not understand
Why I miss her STILLWalkin' (Walkin')
I'm just (Down this lonley road)
Hopin'
Prayin' (I'm just prayin' for)
That she
Finds me
Sees me
Wants meWhy me
Why me (what my heart beats for)
Finds me
So So (So the memories of my summer breeze)
Low and
LonleyI don't understand
Why I miss her STILLWant her (STILL)
Need her (STILL)
