

# With You

## The Subways

I live my life walking down the street  
Meet the faces of the people I see  
All the time I see your reflection  
All the time I see your reflection  
It's ok to feel alone  
It's ok to be alone  
All the time I see your reflection  
All the time I see your reflection

Cos when I'm with you  
It seems so easy  
It seems so easy  
My best days are with you  
They are so easy  
They are so easy

Yeah I don't like givin up  
Cos givin up is easy  
And I'll see you again  
Just tell me where you'll meet me

When I'm with you  
It seems so easy  
It seems so easy  
My best days are with you  
They are so easy  
They are so easy

When I'm with you  
It seems so easy  
It seems so easy  
My best days are with you  
They are so easy  
They are so easy
