

# I'll Be Anything You Want

## Auf Der Maur

Ooh, for love is fun, care to dance? You're a boy, I'm a girl are you ready? Please  
Lots of fish in the sea but is it her or me?  
That's right you'll see the light  
All you need is me honey can't you see? I'll be anything you want  
You love me more than you love yourself  
I'll be anything you want  
You love me more than you love yourself I'm on my knees, on my knees  
Begging you darling please  
Please, please pick me, pick me, pick me Someday I have to say I'll be with you  
We'll share a dance romance, a little dinner for two  
You'll be mine, I'm yours that's fine  
Everything we ever dreamed of baby is ours tonight I'll be anything you want  
You love me more than you love yourself  
I'll be anything you want  
You love me more than you love yourself I'm on my knees, on my knees  
Begging you darling please  
I'll be anything you want You'll be anything I want  
You love me more than you love yourself  
You'll be anything I want  
You love me more than you love yourself I'm on my knees, on my knees  
Begging you darling please, please, oh please You're finished with your woman  
'Cause she is not me
