

# Comfortable

## Dimmer

I just remembered, that time at the market  
Snuck up behind me and jumped on my shopping cart  
And rode down, Isle 5  
You looked behind you to smile back at me  
Crashed into a rack full of magazines  
They asked us, if we could leave  
Can't remember, what went wrong last September  
Though I'm sure you'd remind me, if you had to  
Our love was, comfortable and  
So broken in  
I sleep with this new girl I'm still getting used to  
My friends all approve, say "She's gonna be good for you"  
They throw me, high fives  
She says the Bible is all that she reads  
And prefers that I not use profanity  
Your mouth was, so dirty  
Life of the party and she swears that she's artsy  
But you could distinguish miles from Coltrane  
Our love was, comfortable and  
So broken in  
She's perfect, so flawless  
Or so they say, say  
She thinks I can't see the smile that she's faking  
And poses for pictures that aren't being taken  
I loved you gray sweat pants, no makeup, so perfect  
Our love was, comfortable and  
So broken in  
She's perfect, so flawless  
I'm not impressed, I want you back
