# Wild Is the Wind

## Johnny Mathis

Love me, love me, say you do
Let me fly away with you
For my love is like the wind
And wild is the windGive me more than one caress
Satisfy this hungriness
Let the wind blow through your heart
For wild is the windYou touch me, I hear the sound of mandolins
You kiss me and with your kiss, the world begins
You're spring to me, all things to me
You're life itself, like a leaf clings to a treeOh my darling, cling to me
For we're creatures of the wind
And wild is the wind, the wind
Wild is my love for you
