

Ooh La La

Steel Magnolia

Yeah, mmm, yeah
She's just minding her own business
Come on, ooh
She wandered by, taking her time
She'd stop to window shop
Saw his reflection in the glass
He passed his eyes on me
If you've got something to say, girl
Don't walk away, girl, give me a good reaction
If you've got something to say, boy
I ain't got all day, boy, go ahead, ask me a question
Ooh la la la, ooh la la la, ooh la la la, oh
Here comes love
La la la, ooh la la la, ooh la la la, oh
A hustle here, a bustle there
The sidewalk ends, you disappear
Into a crowded street
Where bright lights meet, we never will
If you've got something to say, girl
Ain't got all day, girl, I can't get no satisfaction
If you've got something to say, boy
Don't walk away, boy, give me a good reaction
Ooh la la la, ooh la la la, ooh la la la, oh
Here comes love
La la la, ooh la la la, ooh la la la, oh
I do believe in God above, ooh yeah
'Cause heaven sent the one I love, oh
Don't wanna be lonely, lonely
Don't wanna be lonely, oh, lonely
Don't wanna be lonely, lonely
Lonely, lonely, lonely, lonely, oh
If you've got something to say, girl
Don't walk away, girl, give me a good reaction
If you've got something to say, boy
I ain't got all day, boy, go ahead, ask me a question
Ooh la la la, ooh la la la, ooh la la la, oh
Here comes love
La la la, ooh la la la, ooh la la la, oh
Here comes love
