You Make Me Real

Caufield

I really want you, really do
Really need you, baby, God knows I do
'Cause I'm not real enough without you
Oh, what can I do?You make me real
You make me feel like lovers feel
You make me throw away mistaken misery
Make me feel love, make me freeI really want you, really do
Really need you, baby, really do
'Cause I'm not real enough without you
Oh what can I do?You make me real
Only you, baby, have that appeal
So let me slide into your tender sunken sea
Make me feel love, make me freeYou make me real, all right
You make me feel like lovers feel
You make me throw away mistaken misery
You make me feel love, you make me free
Make me free, you make me free
