

Honaloogie Boogie

Craze Noize

I was a city child with a dead-end smile
And a worm's-eye point of view
Oh I knew my way, I was a back-street stray
And I had my eyes on you Now I got this friend and he's a screwdriver-jiver
You know, some kinda automobeat on the street
And he has converted me to rock'n'roll I just wanna dance to
Honaloogie boogie yeah
Get in time, don't worry 'bout the shirt shine
Honaloogie boogie yeah
You sure started somethin' Now my hair gets longer as the beat gets stronger
Wanna tell Chuck Berry my news
I get my kicks outta guitar licks
And I've sold my steel-toed shoes Now I got this friend and he's a spider west-sider
You know, he's hung up on a protection rejection thing
But I have made him see the light He just wanna dance to
Honaloogie boogie yeah
Get in time, don't worry 'bout the shirt shine
Honaloogie boogie yeah
You sure started somethin' Honaloogie boogie yeah
Get in time, don't worry 'bout the shirt shine
Honaloogie boogie yeah
You sure started somethin'
