I Know Where It's At

All Saints

I know where it's at
I know where it's at
I know where it's at
I know, I know, I know where it's at
If you wanna have a good time
If you know you got somethin' on your mind
If you know that you wanna get on down
Don't deny, don't be shy just come around
I've been watchin' you and I know you like to party baby
And you know that, that sounds really good to me, yeah
Everybody wants to hang out at my party baby
Don't you know that this is the only place to be?
Don't you wanna come and see yeah?
If you know that you wanna get on down
No need to worry 'cause All Saints will be around
So if your feeling kinda low, oh baby don't
'Cause I'll be here right by your side ready to flow
If you wanna have a good time
If you know you got somethin' on your mind
If you know that you wanna get on down
Don't deny, don't be shy just come around
Move around and get on down do what you wanna baby
You gotta be good, you gotta be good and ready to go
I know you've been waitin' for my party all your lifetime baby
Everybody in the whole world wants to know
Everybody wants to know
Can't you see that there's no one on the streets
'Cause everybody knows jus' where they've got to be
If you wanna have a good time
If you know you got somethin' on your mind
If you know that you wanna get on down
Don't deny, don't be shy just come around
One, two, three, four Saints in the house
We know where it's at a ha ha ha ha
We know where it's at a ha ha ha
Well if you know you like to party and you wanna get on down
Let me tell you baby that you come to the right town
'Cause it's party time you gotta get your groove on
I know you wanna jam from night to dawn

Baby got it goin' on, I don't see nothin' wrong
You dance pretty hot and I know you like my song
So move it like that rata tat tat
Now we'll confirm that you know where it's at
Just come around
If you wanna have a good time
If you know you got somethin' on your mind
If you know that you wanna get on down
Don't deny, don't be shy just come around
If you wanna have a good time
If you know you got somethin' on your mind
If you know that you wanna get on down
Don't deny, don't be shy just come around
If you wanna have a good time
If you know you got somethin' on your mind
If you know that you wanna get on down
Don't deny, don't be shy just come around
If you know that you wanna get down
If you know that you wanna get down
If you know that you wanna get down
If you know that you wanna get down
Just come around
If you know that you wanna get down
If you know that you wanna get down
If you know that you wanna get down
If you know that you wanna get down
Just come around
Just come around
Just come around
Just come around
Just come around
Just come around, yeah
