

# A Dance 'Round The Memory Tree

Oren Lavie

Words we have said  
Grew in my head  
Colored my thoughts  
Sang me to bed  
Lost memories  
Grew into trees  
Covered the doors  
Swallowed the keys  
Winters have come and gone  
You know  
Winters have come and gone  
You know  
But I'll meet you young and free  
For a dance 'round the memory tree  
Said I forgot  
But I did not  
Dreams we have had  
Play in my head  
Did we believe  
The cry of the leaves?  
Did we regret?  
Would we forget?  
Winters have come and gone  
You know  
Winters have come and gone  
You know  
But I'll meet you young and free  
For a dance 'round the memory tree
