

# Guide Me Home

## Laura B and Her Band

Now the wind has lost my sail  
Now the scent has left my trail  
Who will find me, take care and side with me?  
Guide me back safely to my home  
Where I belong, once more Where is my star in heaven's bough?  
Where is my strength, I need it now?  
Who can save me, lead me to my destiny?  
Guide me back safely to my home  
Where I belong, once more Who will find me, take care and side with me?  
Guide me back safely to my home  
Where I belong, once more How can I go on?  
How can I go on this way?
