Midnight (feat. Bobby Flynn)

The Bamboos

Nobody put it in my head
I could feel it in my bones
I knew that our love was deadOne moment was there an now it's gone
You were turning off the lights
But you said there's nothing wrongYou said it was all in my mind
You're so unkind
You're so unkindWhen midnight is calling
And all my teardrops are falling
When the rain comes a pouring over meSomebody they put it in your head
Giving him the time of day
I remember what you saidWhy you running round
Worrying for nothing
There ain't nothing happening
Why you think there's something wrong
It's all in your head
It's all in your headAnd now they say that I was blind
It's so unkind
You're so unkindWhen midnight is calling
And all my teardrops are falling
When the rain comes a pouring over me over me
When midnight is calling
And all my teardrops are falling
When the rain comes a pouring over me over meI wish I could go back and you could prove me wrong
Coz there's no joy in being right now you have gone
I spend my time holding up a flame over youYou said that everything we had it meant so much
If fate is made of gold you've got the midas touch
I spend my time taking all the blame over youAnd when midnight is calling
And all my teardrops are falling
When the rain comes a pouring over me over me
When midnight is calling
And all my teardrops are falling
When the rain comes a pouring over me over me
When midnight is calling
And all my teardrops are falling
When the rain comes a pouring over me over me
