# Free Kony, Dog

## Rucka Rucka Ali

There's a black guy I don't like named Joe Kony
Its not cause he's black its because some other things..
He took kids from there dads and moms
Gave them grenades and guns and bombs
He has a army of small child
Because he's aaa gay pedophile
Listen to me!
This kid's Ugandanese
Is he really all the different from you & me? (yeah!)
Lets take this kid back home
And take Uganda's gold
These children are invisible!
At night these kids have got to be fucking praying We invade their little gay country
I am Kony
This my homies
Everyone around here know me
Invisible children can blow me
White hippies won't overflow me
I fight for free Zimbabwe
I'm fed for free at subway
Oh look its time to pray
[snaps lips]These kids need us
To stop this creep
Please send some cash to them through me
Their just like us except their black
Because Kony put the infant back
In infantry
This kid's Ugandanese
Gonna find Kony and hang him from a big tall tree
This kid's ungandanese
Gonna cover Kony's lawn a lowercase
If theres two things I don't like

In all this world
Its kidnappers & black pe-epholes
This shit don't fly with me
I'm not racist but I would expect this from Chinese
Now lets be honest you and me..
This ain't the first black guy to steal something

In fact it probably isn't the
2nd or
3rd
or foorth
Its probably not the fith or sixth
Or 7th 8th
9 or 10th
But when it comes to stealing kids
Thats BAD
SO FUCK KONY
This kid's Ugandanese
Gonna beat the living out of that bitch Kony
This kid's Ugandanese
Kony's racist cause he's doing shit with slavery
Kony likes dicks and balls
He fucks kids and dogs
He likes when old men jerk him
Oooff!
This shit don't fly with me
I'm not racist but I would expect this from Chinese
This kid's Ugandanese.....
Your so gay Kony
This kid's Ugandanese.....
Your a gay Kony
Lets take this kid back home
And take Uganda's gold
These children are invisible!
These kids have got to be fucking praying We invade their little gay country
