All Over The Road

Easton Corbin

No sir I ain't been drinking
I ain't even had one beer
This sweet thing's got me buzzing
From whispering in my earJust take a peek up in here
At this little hot mess
Mister, you'll understand
I'm doing my bestAnd I know I'm all over the road
I can't help but go
A little bit of left, a little bit of right
It's hard to drive with her hand over here on my knee
When she's all over me, I'm all outta control
All over the roadDon't wanna get no ticket
Don't wanna cause no wreck
It's hard to concentrate with her pretty little lips on my neck
I say "girl take it easy"
She laughs, says "it'll be fine"
How am I supposed to keep it between the linesYeah I know I'm all over the road
I can't help but go
A little bit of left, a little bit of right
It's hard to drive with her hand over here on my knee
When she's all over me, I'm all outta control
And all over the roadSomething 'bout these wheels rolling
Radio playing gets her going
I'm trying to get her home as fast as I can goAnd I know I'm all over the road
I can't help but go
A little bit of left, a little bit of right
It's hard to drive with her hand over here on my knee
Have a little mercy on me
Sir I'm sorry I know
I'm all over the road
All over the road
All over the road
