

# Sam

## Kerber

I heard that you're on your own now  
So am I, I'm living alone now  
I was wrong, so were you, what will you do?  
Are you glad to be free? Are you feeling lost just like me?  
Longing for company  
Oh Sam, Sam, you know where I am  
Come around and talk a while  
I need your smile, you need a shoulder  
Oh Sam, Sam, you know where I am  
And the door is open wide  
Come on inside longing to see you  
Oh Sam, Sam, you know where I am  
I find the days hard to face now  
Empty rooms, there's much too much space now  
And the nights go so slow  
I'm sure you know  
Wish I knew what to do, it would be so nice seeing you  
And it might help you too  
Oh Sam, Sam, you know where I am  
Come around and talk a while  
I need your smile, you need a shoulder  
Oh Sam, Sam, you know where I am  
And the door is open wide  
Come on inside longing to see you  
Oh Sam, Sam, you know where I am  
Oh Sam, you know where I am  
Oh Sam, ooh Sam  
You know, you know, you know where I am
