

My Future

[Shola Ama](#)

You are my love, you are my life
My future 7 years, I lived for ya, 'coz I'm so in love with ya
I don't know where I'd be, if it wasn't for you
Times I starved from ya, I never lost my way
And now I'm back with ya, And you better believe
I'm here, here to stay Now I know I'm blessed, you are my happiness
Every day I know, 'coz I feel you in my soul
You are my love, you are my life
My future I know everyday, in every way
Your light is guiding me
I was lost, then you came
Thank you for finding me You gave me the chance to share what's inside of me
I'm sure that you're destined for me
Like the brightest star that shines, for all to see
How could I be so blind, not to see
You be all that I need? Now I know I'm blessed, you are my happiness
Every day I know, 'coz I feel u in my soul
You are my love, you are my life
My future Now I know I'm blessed, you are my happiness
Every day I know, 'coz I feel you in my soul
You are my love, you are my life
My future Now I know I'm blessed, you are my happiness
Every day I know, 'coz I feel you in my soul
You are my love, you are my life
My future Now I know I'm blessed, you are my happiness
Every day I know, 'coz I feel you in my soul
You are my love, you are my life
My future
