Parking Lot

Rebekka Karijord

Meet me by the parking lot
gonna tell you what ive got
gonna give it all to you now
There on the few stains of green
somewhere hidden in between
cars and people hopes and dreams
Ill be yoursThis is beauty is it not?
confessions in a parking lot
elopement where the world is spinning
Bring your secrets kiss and tell
all your luggage bring it well
its alright yeah its alright
Fuck those expectations love
they cant keep us here
they cant hold us down
You and I know what weve got
are you in or not are you in or not?Release those horses, spin those wheels
Release those horses, spin those wheels
Its far more harmless than it feels
so release those horses spin those wheelsHey what you wanna do with your life?
And what do i wanna do with mine?
Its plain to see you should be here with me
