

# Help Me Dr. Dick

## E-Rotic

I'm doc, doc, doctor Dick  
And when you're feeling sick  
Babe, I know a trick  
It's sex, and it's sex, you'll be feelin' alright  
Hey, let's have sex together and forever tonight  
I'm your doc, doc, doctor doctor Dick  
And I gonna heal you with my fabulous stick  
So, undress, please, undress, but don't be a sleeper  
I will touch you, I will touch you, ddddeeper  
Come on, please help me, doctor Dick  
I need your love, I feel so sick  
I need a kick and you're so big  
Oh, doctor, please, deep, deep, deeper  
Help me, doctor Dick  
My fever's rising, please come quick  
I know you know a little trick  
Oh, doctor, please, deep, deep, deeper  
Come on, help me, doctor Dick  
Come on, doctor, help me quick  
Dddddeeper  
Come on, help me, doctor Dick  
Come on, doctor, help me quick  
Dddddeeper  
I'm doc, doc, doctor Dick  
Oh, baby, I can heal your nervous tick  
So lay down, hey, lay down  
I will check what is wrong  
So, gather thrill technical, it moves you along  
I'm your doc, doc, doctor doctor Dick  
I can make you feel good  
And you can make me big  
And for sure, got a cure  
Cause you're not a peeper  
I will touch you, I will touch you, dddeeper
