

# Stay Another Day

## East 17

Baby if you've got to go away  
Don't think I can take the pain  
    Won't you stay another day  
Oh, don't leave me alone like this  
    Don't you say it's the final kiss  
Oh, won't you stay another dayDon't you know we've come too far now  
    Just to go and try to throw it all away  
    Thought I heard you say you love me  
    That your love was gonna be here to stay  
    I've only just begun to know you  
All I can say is won't you stay just one more dayBaby if you've got to go away  
    Don't think I can take the pain  
    Won't you stay another day  
    Oh, don't leave me alone like this  
    Don't you say it's the final kiss  
Oh, won't you stay another dayI touch your face while you are sleeping  
    And hold your hand, don't understand what's going on  
    Good times we had return to haunt me  
Though it's for you all that I do seem to be wrongBaby if you've got to go away  
    Don't think I can take the pain  
    Won't you stay another day  
    Oh, don't leave me alone like this  
    Don't you say it's the final kiss  
Oh, won't you stay another dayBaby if you've got to go away  
    Don't think I can take the pain  
    Won't you stay another day  
    Oh, don't leave me alone like this  
    Don't you say it's the final kiss  
Oh, won't you stay another dayBaby if you've got to go away  
    Don't think I can take the pain  
    Won't you stay another day  
    Oh, don't leave me alone like this  
    Don't you say it's the final kiss  
    Oh, won't you stay another day
