

Pulling Rabbits Out of a Hat

Sparks

I'll grab the sun and the moon
I'll hold the world in my hand
These things are easy for me
I can't make you understand Pulling rabbits out of a hat
Pulling rabbits out of a hat
All I get is polite applause
Applause, applause, applause
Applause, applause Marvel at heaven and hell
(Marvel at heaven and hell)
Gasp at the Champs-Elysees
(Gasp at the Champs-Elysees) Raise the Titanic and then
(Raise the Titanic and then)
I see you turning away Pulling rabbits out of a hat
Pulling rabbits out of a hat
All I get is polite applause
Applause, applause, applause
Applause, applause Entertaining that's the word I get from you
Entertaining and then you bid a fond adieu, well, adieu I'll make a pauper a King
(I'll make a pauper a King)
I'll turn your water to wine
(I'll turn your water to wine) These things are easy for me
(These things are easy for me)
How come I can't change your mind? Pulling rabbits out of a hat
(Pulling rabbits out of a hat)
Pulling rabbits out of a hat
(Pulling rabbits out of a hat) All I get is polite applause
(All I get is polite applause)
Applause, applause, applause
Applause, applause Applause, applause, applause
Applause, applause
Applause, applause, applause
Applause, applause
