That's Life

James Brown

That's life, that's what all the people say
You're riding high in April
Shot down in May
But I know I'm gonna change that tune
When I'm back on top, back on top in JuneI said that's life, and as funny as it may seem
Some people get their kicks
Stompin' on a dream
But I don't let it, let it get me down
'Cause this fine ol' world it keeps spinning aroundI've been a puppet, a pauper, a pirate
A poet, a p*** and a king
I've been up and down and over and out
And I know one thing
Each time I find myself, flat on my face
I pick myself up and get back in the raceThat's life
I tell ya, I can't deny it
I thought of quitting baby
But my heart just ain't gonna buy it
And if I didn't think it was worth one single try
I'd jump right on a big bird and then I'd flyI've been a puppet, a pauper, a pirate
A poet, a p*** and a king
I've been up and down and over and out
And I know one thing
Each time I find myself laying flat on my face
I just pick myself up and get back in the raceThat's life
That's life and I can't deny it
Many times I thought of cutting out
But my heart won't buy it
But if there's nothing shakin' come this here july
I'm gonna roll myself up in a big ball and die
