

Beat the Sunrise (feat. Andrew Watt)

SNBRN

Baby there's a hole in my heart tonight
Maybe you can be my lifeline
All aboard this lonely lonely ride
Driving with one headlight
We can stop but we can't rewind
We only got tomorrow
Nothing's gonna stop us in fact

Baby there's a hole in my heart tonight
Maybe we can beat the sunrise
(OOOoooOOOhhh)
We can beat the sunrise
(OOOoooOOOhhh)
We can beat the sunrise

Baby there's a hole in my heart tonight
Maybe you can be my lifeline
All aboard this lonely lonely ride
Driving with one headlight
We can stop but we can't rewind
We only got tomorrow
Nothing's gonna stop us in fact

Baby there's a whole in my heart tonight
Maybe we can beat the sunrise
We can beat the sunrise
We can beat the sunrise
(OOOoooOOOhhh)
We can beat the sunrise
