

Toys And Flavors

The Hellacopters

Swallow up
And then go flush it down
Monday special
Get with the latest sound
So here's a treat
Go waste it's sweetness on the desert air
Brand new sensation
To enjoy if you care

Hey hey hey now!
But are you sure it's what you're looking for
So c'mon don't be late now
It won't be long before it's out the door

Toys and flavors
Season saviours
c'mon devour
And cut the edges out

Baby
Hip young thing ain't hip no more
With eagle speed buzzards feed
On crumbs off the fashion floor

Hey hey hey now!
Are you sure it's what you really need
So c'mon don't be late now
It's a one hit guarantee

Toys and flavors
Season saviours
c'mon devour
And cut the edges out

Hey hey hey now!
But are you sure it's what you're looking for
So c'mon don't be late now
It won't be long before it's out the door

Toys and flavors

Season saviours
c'mon devour
And cut the edges out
Toys and flavors
Season saviours
