Happy Heart

Petula Clark

There's a certain sound
Always follows me around
When you're close to me
You will hear it

Its the sound that lovers
Finally will discover
When there is no other
For their love

Its my happy heart you hear
Singing loud and singing clear
And its all because you're near
Be my love

Take my happy heart tow away
Make me love you, make my day
In your arms I want to stay
All my love

Yeah
Feeling more and more
Like I've never felt before
You have changed my life
So completely

Music fills my soul now
I've lost all control now
I'm not half un hold now
With your love

Its my happy heart you hear
Singing loud and singing clear
And its all because you're near
Be my love

Take my happy heart tow away
Make me love you, make my day
In your arms I want to stay

All my love

It is my happy heart
You can hear my happy heart
In love you...

Aah
Take me
Take my happy heart
Please be my happy heart
Eeh
