Still Believe In Love

jacksoul

She left with all of my clothes y'all.
She left with all my CD's.
She was to small to take the Big screen.
So she took all my DVD's.I swear the woman went crazy, cussin and yellin at me
Lord knows that nothing's gonna break me
As long as I still believe.That's why you gotta know
I still believe in love
I still believe in love
I still believe in love
Just not with you.
No way.She called me all kinda names y'all.
She cussed me right where I stood.
She said she'd no longer loved me.
She called me trifling and no-good
I didn't open my mouth yo.
There wasn't nothing to say.
If it's just not in the stars, girl
I won't beg you to stay.And you know I'm gonna make it 'causeStill believe in love.
