

The Champion

Neva Dinova

Gaze upon the stake, flames will soon start to embrace
Condemned, auto da fe, she's about to fall from grace
In the land of the rising sun, shadows are falling again
The die is cast, the future and past coming to her at lastOh, oh, oh

 All she needed was a champion

 Oh, oh, oh

Crying for a savior to fight for her lifeBehold, the freedom cries by the dying of the light

 Too late to justify for vindication upon this night

 In the land of the rising sun, shadows are falling again

From out of nowhere a rider declared to answer her final prayerOh, oh, oh

 He stood up to be the champion

 Oh, oh, oh

He became the savior that fought for her lifeFace to face, eye to eye

 The savior fought to save her pride

 Far beyond the starlit skies

The encounter went onGaze upon the stake as the flames start to embrace

 A life, an act of faith, long-lost gone without a trace

 In the land of the rising sun, shadows are falling again

The die is cast, for the future and past came for her at lastOh, oh, oh

 All she needed was a champion

 Oh, oh, oh

Crying for a savior to fight for herOh, oh, oh

 He stood up to be the champion

 Oh, oh, oh

He became the savior that fought for her lifeFor her life, she may need a champion

 For her life
