Everything Must Change

Beth Hart

Everything must change
Nothing stays the same
Everyone will change
No one stays the same
The young become the old
And mysteries do unfold
'Cause that's the way of time
Nothing and no one goes unchanged
There are not many things in life
You can be sure of, except
Rain comes from the clouds
Sun lights up the sky
And hummingbirds do fly
Winter turns to spring
A wounded heart will heal, oh yeah, it will heal
But never much too soon
Yes, everything and everyone will change
There are not many things in life

You can be sure of, oh no, no, no
Rain comes from the clouds
Sun lights up the sky
Hummingbirds they do flap
Their wings and go by by, oh fly
Rain comes from the clouds
Sun lights up the sky
And hummingbirds they do fly
Rain comes from the clouds
Sun lights up the sky
Hummingbirds, hummingbirds they do fly
But everything must change
Nothing stays the same
No, no, no, no, no, no, no
Nothing stays the same
Oh, except rain
Rain comes from the clouds
