## Too \$hort

Hey, ladies and gentlemen, Phizzle  
Too \$hizzle, PhizzleSophisticated, educated  
That's what I get from you  
That's what I see in you  
You spoke the latest, fly young lady  
Do what you wanna do  
That's why I f\*\*\* with youYou still a freak but you ain't out swingin' on poles  
Choosin' on pimps and bringin' 'em h\*\*\*  
It's the same everyday, little dress and a thong  
You just doin' yo' thang, bein' sexy and grownSucker found out, he only want to be friends  
He can't deal with you, you make more money than him  
I see you, baby, droppin' that top in the Benz  
Wasn't bought from the money that you got from himIt's those two degrees and that good a\*\*\* job  
You never act wild in the hood, in your car  
You so classy, so flashy  
I ain't trippin' girl, you could be nastyGot me a cute a\*\*\* prosecutor  
Too smart to let a n\*\*\* prostitute her  
Before we f\*\*\*, she liked to read my rights  
And afterwards give a n\*\*\* legal advice, she's soSophisticated, educated  
That's what I get from you  
That's what I see in you  
You spoke the latest, fly young lady  
Do what you wanna do  
That's why I f\*\*\* with youY'all thought Too \$hort was just all about pimpin'  
Foul-mouth mack that talk bad about women  
I guess you ain't really pay attention  
You heard 'B\*\*\*' and cut it all, you ain't even listenAll I said was if the shoe fits, wear it  
And if it don't apply, act like you didn't hear it  
I know all about you went to school and did good  
You made somethin' of yourself and you're straight from the hoodYou came too far to f\*\*\* up and be nothin'  
Fine broke a\*\*\* walkin' round sufferin'  
Actin' like her s\*\*\* don't stank  
Ask her what she's doin' and her mind goes blankGotta stay on the grind, make your own figures  
You wastin' time waitin' on some n\*\*\*  
'Cause if you catch me and you're tryin' to impress me  
Ain't nothin' more sexy than aSophisticated, educated  
That's what I get from you  
That's what I see in you  
You spoke the latest, fly young lady

Do what you wanna do  
That's why I f\*\*\* with you Call me after work  
I see the little cuties, I don't have to flirt  
You never have to question all the stuff I do  
'Cause they don't look, cook or f\*\*\* like you You's a real one, don't fight the feelin'  
Let's do it all night, up by the ceilin'  
I just want some lovin', I don't wanna fight  
You don't want a husband, I don't want a wife I spend nights at yo' house, you can stay at mine  
Wake up and go home when it's daytime  
You ain't all up under me, a pimp oughta know  
With your Benz and your penthouse condo And your fly a\*\*\* fits, diamonds and whips  
You're damn near leavin' me and I'm in the six  
You just like your car, sexy and fast  
I'll put the pedal to the metal, I'ma catch yo' a\*\*\* Sophisticated, educated  
That's what I get from you  
That's what I see in you  
You spoke the latest, fly young lady  
Do what you wanna do  
That's why I f\*\*\* with you Too \$hizzle, Jazzy Phinzzel  
You what I like about you, baby?  
You got your toes done, you got your make-up right  
You got it all, baby, you're sophisticated  
You don't live with your mother
