My Precious

SoKo

i cast a spell in front of your house
so that soon you will come back
i waited and i waited and i waited
and i lost the tracki ring the bell outside of the church
and i burn the candles and such
i make magic out of nothing
and it all turns to dustoh my precious one
painfully shy to eveyone
i want you to shine
i want you to shine
such a precious mind
the best ally i've ever had
oh, you're divine
oh, you're divine
oh my precious
so preciousi go out of my way for lust
and i know that now you must
think of me as one you will never trusttry to convince you with all my heart
i'm the best you'll ever have
but your mind is made and you
never wanna see me again
your mind is made and you never wanna
see me!
oh my precious one
painfully shy to eveyone
i want you to shine
i want you to shine
such a precious mind
the best ally i've ever had
oh, you're divine
oh, you're divine
i want you to shine
i want you to shine
i want you to shine
i want you to shineoh my precious
so precious
