

# On Our Own

## Bobby Brown

Too hot to handle, too cold to hold  
They're called the Ghost busters and they're in control  
Had 'em throwin' a party for a bunch of children  
While all of the while the slime was under the building  
So they packed up their group, got a grip, came equipped  
Grabbed they Proton packs off their back and they split  
Found about Vigo, the master of evil  
Try to battle my boys? That's not legal  
Dance, dance, dance, dance, dance, dance, dance  
Yeah, I think this is gonna be another one of those funky ones  
Heart, soul, dance  
Yeah, I think this is gonna be another one of those funky ones  
If I was you, and you were me, you'd wanna be winnin'  
If you want somethin' bad, yo, you gotta wanna give your all  
'Cause I believe so much in we and know we're not kiddin'  
If you feel the same as me, yo, you gotta want to take the ball  
Now I find out that nothin' is given  
Don't know where the cards may fall  
All I know is that we've gotta get it  
We've gotta make it on our own  
Well I guess we're gonna have to take control  
(All on our own)  
If it's up to us, we've got to take it home  
(All on our own)  
Now can't you see that all we need to be a go getter  
Gotta make your own decisions, you gotta go for what you know  
(Dance)  
It comes a time in our lives, you wanna be bigger  
Gotta keep, keep on pushing, you gotta learn to take control, yeah  
Now I find out that nothin' is given  
Don't know where the cards may fall  
  
All I know is that we've gotta get it  
We've gotta make it on our own  
Well I guess we're gonna have to take control  
(All on our own)  
If it's up to us, we've got to take it home  
(All on our own)  
(Gotta, gotta, take it home, gotta, gotta, gotta take it home)

It comes a time in our lives, you wanna be bigger

Take control, yeah

(Oh-we-oh, oh-we-oh)

(All on our own)

(Oh-we-oh, oh-we-oh)

(All on our own)

Well I guess we're gonna have to take control

(All on our own)

We got, we got, we got

We got, we got, we got

If it's up to us, we've got to take it home

(All on our own)

Too hot to handle, too cold to hold

They're the Ghost busters and they're in control

Well I guess we're gonna have to take control

(All on our own)

Gotta, gotta, take it home

Gotta, gotta take it home

If it's up to us, we've got to take it home

(All on our own)

Gotta, gotta, take it home

Gotta, gotta, gotta take it home
