

Burning Like Fire

Claire Guerreso

Baby, I'm burning like fire, yeah, yeah
Baby come and take me on a natural high
Only you can make me feel the way you do
Baby come and take me on a natural high
I like the way you do the things you do
Your love is burning like fire
Takin' me higher, burning like fire
Intoxicated by your love
I can't get enough
My heart starts bouncing, my legs feel weak
My head is turning and it's hard to speak
Floating with my mind on the river of joy
If I'm the player then you're my toy
Just follow me slowly, sexy
Over easy rhymes delivered by me
'Cause you're the one that I desire
It feels so hot, it burns like fire
Burning like fire
Higher, higher
Naturally high, my brains up in the sky
Without wings, I fly, fly, fly
Don't ask me why 'cause I can't deny
You move so sexy, I like to give it a try
Tell me girl now what I'm feeling
Like Marvin' Gaye 'Sexual Healing'
'Cause you're the one that I desire
It feels so hot, it burns like fire
Baby come and take me on a natural high
Only you can make me feel the way you do
Baby come and take me on a natural high
I like the way you do the things you do

Burn it up
Take me higher
Burn it up
Your love is burning like fire
Taking me higher, burning like fire
Intoxicated by your love
I can't get enough

Burning like fire
Taking me higher, burning like fire
Intoxicated by your love
I can't get enough
Burn it up
Burn it up
Burn it up
Burn it up
Burn it up
Burn it up
Burn it up
Burn it up
Take me higher
And you know that
Come on
Won't you take me higher?
Won't you take me higher?
You know, I'm burning like fire
Your love is burning like fire
Taking me higher, burning like fire
Intoxicated by your love
I can't get enough
