

See You (Live In Hammersmith, October 1982)

Depeche Mode

All I want to do is see you again
Is that too much to ask for?
I just want to see your sweet smile
Smile the way it was before
Well I'll try not to hold you
And I'll try not to kiss you And I won't even touch you
All I want to do is see you
Don't you know that it's true I remember the days when we'd walk through the woods
And sit on a bench for a while
I treasure the way we used to laugh and play
And look in each others eyes
You can keep me at a distance if you don't trust my resistance But I swear I won't touch you
All I want to do is see you
Don't you know that it's true Well I know five years is a long time
And that times change (oh that times change)
But I think that you will find
People are basically the same (basically the same)
If the water's still flowing, we can go for a swim
And do the things we used to do
And if I'm reluctant you can pull me in
And we can relive our youth
Oh but we'll stay friendly like sister and brother Though I think I still love you
All I want to do is see you
Don't you know that it's true?
