

Pixelated

Jeremy Passion

Here it comes again
Second month again
It's time.
Paper hearts again
Red's and pinks ascend
Valentine's
Don't tell me plans for the day
Your romance doesn't play on my mp3 player
Don't wanna see PDA
Or the gifts that you made
Cuz she's sooo far away. And I
wish you were here by my side
And I
Can't seem to understand
Why we have to be so pixelated, so pixelated
Don't understand why
Why we have to be so pixelated, so pixelated, Call me lonely
Call me bitter
You're probably right
I only see her on twitter,
and webcam, facebook, the phone, and on skype.
Love and long distance ain't easy
for me and clairici
But love finds its way
Hearts full of affection
Through lag disconnections
We're here to stay. But I
wish you were here by my side
And I
Can't seem to understand why
Why we have to be so pixelated, so pixelated
Don't understand why
Why we have to be so pixelated, so pixelated,
Don't understand why
Why we have to be so pixelated, so pixelated,
Mhmm
Connecting..
Still Connecting..
And I

wish you were here by my side
And I
Can't seem to understand why
Oh why, oh why
Why we have to be so pixelated, so pixelated
Don't understand why
Why we have to be so pixelated, so pixelated,
So pixelated Oohh..
