Teenage Fanclub

I don't wanna be alone
I don't wanna be well known
I don't wanna be unseen
I don't wanna love in vain I don't wanna need a change
I don't wanna be arranged
I don't wanna be amazed
I just wanna see your
Face again, be my friend I don't want another drink
I don't wanna have to think
I don't wanna stay the same
I don't want another name I don't wanna be defamed
I don't wanna be acclaimed
I don't wanna be amazed
I just wanna see your
Face again, be my friend
