Right Hand Man

Joan Osborne

Let me use your toothbrush Have you got a clean shirt?

My panties in a wad

At the bottom of my purseI walk into the street

The air's so cool

I'm wired and I'm tired

And I'm grinnin' like a foolI've been on the floor lookin' for a chair

I've been on a chair lookin' for a couch

And I've been on a couch lookin' for a bed

Lookin' for a bed, lookin' for my, myMy right hand, my right hand man

My right hand, my right hand man

My right hand, my right hand man

My right hand, my right hand manSay, "My right hand, my right hand man"

My right hand, my right hand man

My right hand, my right hand man

If he can't fix it, I don't know who can'the sinsemilla salesman

And the cops on the block

They know what I been doin'

They see the way I walkI wonder what they see now

I wonder what they do

To feel somebody want them

The way I'm wanting youI've been on the floor lookin' for a chair

I've been on a chair lookin' for a couch

And I've been on a couch lookin' for a bed

Lookin' for a bed, lookin' for, to really beMy right hand, my right hand man

My right hand, my right hand man

My right hand, my right hand man

My right hand, my right hand manSay, "My right hand, my right hand man"

My right hand, my right hand man

My right hand, my right hand man

Use me up if you think you can I've been on the floor lookin' for a chair

I've been on a chair lookin' for a couch

And I've been on a couch lookin' for a bed

Lookin' for a bed, lookin' for myMy right hand, my right hand man

My right hand, my right hand man

My right hand, my right hand man

My right hand, my right hand manSay, "My right hand, my right hand man"

My right hand, my right hand man

My right hand, my right hand manSay, "My right hand, my right hand man"

Say, "My right hand, my right hand man"
Say, "My right hand, my right hand man"
My right hand, my right hand man
My right hand, my right hand man
My right hand, my right hand man
My right hand, ooh ohMy, my, my, my, my
If he can't fix it, gonna find a boy who can
