

Better Days (Yashar Gasanov dubstep remix)

[Ayo](#)

People are telling me to stay away from you
But I can't help myself just don't know what to do
Even our kids they say you won't change anyway
But I can't help myself I just can't help myself

People are telling me to keep away from you But they will never understand how much I feel for you
Even our kids they say you won't change anyway But I can't help myself still believe in Better days in better
days in better days

Better days in better days in better days better days

People are telling me to stay away from you
But I can't help myself just don't know what to do
Even our kids they say you won't change anyway
But I can't help myself I just can't help myself

People are telling me to keep away from you
But they will never understand how much I feel for you
