

# World in Motion

## New Order

Express yourself, create the space  
You know you can win, don't give up the chase  
Beat the man, take him on  
You never give up, it's one on one Express yourself, it's one on one  
Express yourself, it's one on one  
Express yourself, you can't be wrong  
When something's good, it's never gone Love's got the world in motion  
And I know what we can do  
Love's got the world in motion  
And I can't believe it's true Now is the time, let everyone see  
You never give up, that's how it should be  
Don't get caught, make your own play  
Express yourself, don't give it away Express yourself, it's one on one  
Express yourself, it's one on one  
Express yourself, you can't be wrong  
When something's good, it's never gone Love's got the world in motion  
And I know what we can do  
Love's got the world in motion  
And I can't believe it's true Love's got the world in motion  
And I know what we can do  
Love's got the world in motion  
And I can't believe it's true You've got to hold and give, but do it at the right time  
You can be slow or fast, but you must get to the line  
They'll always hit you and hurt you, defend and attack  
There's only one way to beat them, get 'round the back Catch me if you can 'cause I'm the England man  
And what you're lookin' at is the master plan  
We ain't no hooligans, this ain't a football song  
Three lions on my chest, I know we can't go wrong We're playing for England  
We're playing the song  
We're singing for England  
Arrivederci, it's one on one We're playing for England  
We're playing the song  
We're singing for England  
Arrivederci, it's one on one We're playing for England  
We're playing the song  
We're singing for England  
Arrivederci, it's one on one We're playing for England  
We're playing the song  
We're singing for England

Arrivederci, it's one on one
