

Nothing's Gonna Change Your Mind

Badly Drawn Boy

This would be easier if you'd understand
Face the truth and realise that none of this was planned
The way we worry about such little things
Take a time to take the break
Darling spread your wings
I stole all the roses that make your crown
Now it's easier
To just put aside the things that face us now
Let's dance! To the beat of the drum!
Let's go out! Where we don't know anyone!
Cause it's you! I don't need anyone else!
I got you! I don't need anyone else but you...strange how something comes from nothing
I came around to your way
Of thinking about these things
Saw your face in a crowd
I knew that you were special
And ***** change my world
If I could help you now but nothing's gonna change your mind
And no one's gonna help you now
If nothing's gonna change your mind
Then no one's gonna help you find
Your place in this world
So strange we don't need *****
Let's dance! To the beat of the drum!
Let's go out! Where we don't know anyone!
Cause it's you! I don't need anyone else!
I got you! I don't need anyone else but yooooooooooooooooo!!!!!!and no one could ask for more but nothing's
gonna change your mind
And no one's gonna help you now
If nothing's gonna change your mind
Then no one's gonna help you now
