

# Salt Life

## Chuck Wicks

Feet up, anchor down  
Thirty sun block  
Getting rubbed around your body  
Too hot dive in  
Take a little swim  
Float around out in the water  
Aw what do you say  
We stay all day right here  
Where the sun sets on tan lines  
Footprints on low tide  
Boardwalk band plugging in for the night  
Party boats are tying up  
Cabo drinks are getting drunk  
It's all good  
It's all right  
Just getting high  
On a salt life  
On a salt life  
Cool breeze, palm trees  
Start to feel ease of a beer buzz and I like it  
A little too much  
And all i wanna do is stay right here, right here with you, with you and baby  
Soak it up  
Don't you love days like this  
Where the sun sets on tan lines  
Footprints on low tide  
Boardwalk band plugging in for the night  
Party boats are tying up  
Cabo drinks are getting drunk  
It's all good  
It's all right  
Just getting high  
On a salt life  
On a salt life  
Beach bums  
Party flip flop  
No tick tock on a snowbirds watch  
Never stops, It never stops, it never stops  
Where the sun sets on tan lines

Footprints on low tide  
Boardwalk band plugging in for the night  
Party boats are tying up  
Cabo drinks are getting drunk  
It's all good  
It's all right  
Just getting high  
On a salt life  
On a salt life  
Feel so good to live a salt life
