

Substitute (feat. Ellie Hope)

Liquid Gold

Ooh, baby, baby

Ooh, the way you need that lady
Ooh, you've got it bad (you've really got it bad)
And the way she treats you, baby
Makes me mad, makes me mad
Yeah, the way she takes you in
It makes me want to cry (she's always telling lies)
Outside, I'm only looking in
My hands are tied, oh, what am I?
I'm a substitute who loves you baby
A fool who hangs around (around)
Oh, I'm a substitute, I'm going crazy
Watching her bringing you down

Shame

Three's a crowd

Ooh, if she appreciated you
I'd step aside (why don't you realize?)
Yeah, it's not as if she's even satisfied, satisfied

Shame

Three's a crowd

ShamĐµ

Three's a crowd

I'll tell you now

I'm a substitute who loves you baby
A fool who hangs around (around)
Oh, I'm a substitute, I'm going crazy
Watching her bringing you down

She's the main attraction

Ooh, I've got direction

But no connection

She gets all the action

Ooh and boy, she knows it

How could she do that thing to me?

She's the main attraction

Ooh-ooh, determination, I won't be shaken

She gets all the action

Yeah, that's why a fire

Is burning up inside of me

I'm a substitute who loves you baby
A fool who hangs around (around)
Oh, I'm a substitute, I'm going crazy
Watching her bringing you down

I'm a substitute who loves you baby
A fool who hangs around (around)
Oh, I'm a substitute, I'm going crazy
Watching her bringing you down
Brings me down, yeah

I'm a substitute who loves you baby
A fool who hangs around (around)
Oh, I'm a substitute
