

Mangihamba

Deborah

Ngathi ngisahamba emhlabeni
ngahlala ithuna lami mina
njengembali eqhakaza namuhla
ngakusasa isimbuleka.

ngokunjalo kungizumukufa
ngangisemusha ngiyingane nje
ezulwini sobonana futhi
zonk'
intsizi seziphele nya.

ningakhali bazalwane bami
sahlukene umzuzwana nje
ezulwini sobonana futhi
zonk'intsizi seziphele nya.

ningakhali bazalwane bami
sahlukene umzuzwana nje
ezulwini sobonana futhi
ngishiyile umzimba wodwa la
wodwa la.
