Wake up in di morning, say a lickle thing to God
I'm bless me, there's food inna mi go bag
Remembering di days, when time went hard
Mi belly hungry and mi couldn't find no regular job

Feel like mi can't move, mi trap in a cage
Still searching for di words to put pon di page
Still dreaming 'bout di day, where mi step on di stage
But nutten nuh come, that's when mi bredda seh

You haffi keep movin'
Sing on, sing on, yeah, aigh
Nuh matter what's goin' on
You know seh, you haffi chant on, yeah, aigh

You haffi keep movin'
Sing on, sing on, sing on, yeah, aigh
It's just another broken hearted tune
Fi all di lonely world
When mi seh

Har man abuse har and go beat her up badly
Just a hold the rod, stick rudely
Har hope fadin' quick of startin' a family

One day she decide, she can't take it no more
She ball out, cry, go dung on di floor
That's when she take the razor till her phone a ring
Somebody on the other line a tell har seh

You haffi keep movin'
Sing on, be strong, be strong, yeah, aigh
So no matter what's goin' on
You know seh, you haffi chant on, yeah, aigh

You haffi keep movin'
Sing on, sing on, hold on, yeah, aigh
Just another broken hearted tune, fi all di lonely world
When mi seh

A lickle youth drive off of di road

When I'm get to the scene seh, it nuh look good

Now di family want know wha gwaan
And di doctor say, "I'm sorry

You haffi keep movin'
Sing on, sing on, hold on, sing on, sing on, yeah
